Why Youth Mental Health First Aid?

Youth Mental Health First Aid teaches you **how to identify, understand and respond to signs of mental illnesses and substance use disorders**. This 8-hour training gives adults who work with youth the skills they need to reach out and provide initial support to adolescents (ages 12-18) who may be developing a mental health or substance use problem and help connect them to the appropriate care.

WHAT IT COVERS

- Common signs and symptoms of mental illnesses in this age group, including:
 - Anxiety
 - Depression
 - Eating disorders
 - Attention deficit hyperactivity disorder (ADHD)
- Common signs and symptoms of substance use.
- How to interact with an adolescent in crisis.
- How to connect the adolescent with help.

WHO SHOULD TAKE IT

- Teachers
- School staff
- Coaches
- Camp counselors
- Youth group leaders
- Parents
- People who work with youth

The course will teach you how to apply the ALGEE action plan:

- **Assess** for risk of suicide or harm
- **Listen** nonjudgmentally
- **Give** reassurance and information
- **Encourage** appropriate professional help
- **Encourage** self-help and other support strategies
